- As an admin, you have the power to manage all user activities on the platform, ensuring optimal customer satisfaction.

You can manage users, products, and orders, and even chat with users. Let's dive into the details.

Customer Feedbacks

Tharindu Lakshan good platform 05:24 pm

★★★★☆

• User Management:

Tech Lanka's admin features let you manage all user activities on the platform. You can view user profiles, manage their information, and even suspend or ban users who violate the platform's policies. This helps maintain a safe and secure environment for all users.

• Product Management:

As an admin, you have full control over the products listed on Tech Lanka. You can view product listings, edit them, and remove them if necessary. You can also monitor product descriptions and images to ensure that they are accurate and comply with the platform's policies.

The screenshot displays the 'Manage Products' interface. On the left is a sidebar with navigation options: Dashboard, Orders, Manage Products (selected), Manage Users, Message, and Admin Settings. The main content area features a search bar and three product listings, each with a product image, title, date, price, delivery status, sales statistics, seller details, and an 'Active' checkbox.

Send

- **Chat with Users**

As an admin, you can chat with users on Tech Lanka. This feature allows you to respond to user queries and concerns quickly, improving customer satisfaction. You can also provide timely feedback to users who report issues or provide feedback.

- **Customer Satisfaction:**

At Tech Lanka, we take customer satisfaction seriously. As an admin, you can track user feedback and analyze it to identify areas for improvement. You can use this feedback to improve the platform's policies, features, and services, ensuring that Tech Lanka remains a top choice for users looking to buy and sell electronic items.

Feedback

Rating our platform

★★★★☆

Feedback

recently made a purchase on this e-commerce site and was blown away by the level of customer service I received. The website was easy to navigate, and the product descriptions and images were clear and accurate.
